

## **The Druid asks the Questions - Writers**

1. Give those who may not know your work a quick snapshot:
2. Is it a standalone or part of a series?
3. How did you meet your characters? Were you introduced? Did they demand your attention in some innocuous place, or have you known them so long that you can no longer remember life without them?
4. Which of your characters can you identify with the most?
5. Without giving away too much, do you have a least favorite character? Whose suffering do you enjoy the most?
6. If you were in the same situation as your characters, what would you do differently?
7. What makes you uniquely qualified to write this story?
8. Tell me something you can't live without – what do you love more than anything? How has that love made it into your writing?
9. All right, enough of that. Where can we stalk – I mean go to fully appreciate the greatness that is you? And where can we pick up your book?
